Filing a Form CA-7 in ECOMP

ECOMP also allows Federal employee users to file CA-7 wage loss compensation claims via the portal. CA-7 forms may be filed for cases created in ECOMP and for cases created outside ECOMP.

For cases created in ECOMP, you log in to your ECOMP account and find the CA-1 or CA-2 form for which you want to file a CA-7. Note: you can only file a CA-7 if the form has been created as a case by OWCP.

Click the CA-7 link within the form's listing to begin the process.

For cases created outside of ECOMP, click the button at the top right hand side of the screen to locate an existing case and file your CA-7.

After you have filled out all required fields in your CA-7 and electronically submitted it to your supervisor, you will be notified of your form's progress every step of the way via email.
