The Law (39 U.S. Code 1002) prohibits political and certain other recommendations for appointments, promotions, assignments, transfers, or designations of persons in the Postal Service. Statements relating solely to character and residence are permitted, but every other kind of statement or recommendation is prohibited unless it either is requested by the Postal Service and consists solely of an evaluation of the work performance, ability, aptitude, and general qualifications of an individual or is requested by a Government representative investigating the individual's loyalty, suitability, and character. Anyone who requests or solicits a prohibited statement or recommendation is subject to disqualification from the Postal Service and anyone in the Postal Service who accepts such a statement may be suspended or removed from office.
