ISSUE: Did management violate Articles 8 and/or 19 (via ELM 432) of the National Agreement when letter carriers not on the overtime desired list (ODL) exceeded 12 hours of daily service during the week in question? If so, what is the remedy?

DECISION: The Dispute Resolution Team (DRT) mutually agreed to **RESOLVE** this grievance. The case file evidenced multiple violations of Section 432.32 of the Employee and Labor Relations Manual (ELM). The letter carriers listed in the table below are compensated in the amounts by their names. The payments have been processed at Step B via GATS. See the DRT Explanation below.

EXPLANATION: During the week of December 11-17, 2021, several letter carriers, including city carrier assistants, part-time flexible (PTF) carriers and one full-time carrier who was not on the ODL at Thousand Oaks Station in San Antonio, Texas worked more than 11½ hours on several days.

The union filed this grievance to protest management assigning these employees to more than 12 hours of daily service. Unable to achieve a resolution through the Informal or Formal Step A levels of the grievance process, the union appealed the grievance to Step B.

The union contended at the Formal Step A meeting the management representative looked at the first set of numbers, closed the folder, and said, "We will have to send this to DRT." The manager then refused to sign the PS Form 8190. The union further contended management denied reasonable time to investigate and prepare this and other grievances. The union maintained working PTFs and CCAs more than 11½ hours results in those employees exceeding 12 hours of daily service, which violates ELM 432.32 and the Step 4 settlement of grievance M-01272.

The union requested management cease and desist from violating the 12 hour rule in the future. The union also requested each of the carriers who exceeded this limit be compensated an additional 100% of their straight time rate for all hours in excess of the 12-hour limit.

Management provided no written contentions for the file.

The DRT reviewed the case file and agreed the CCAs and PTFs identified in the file worked in excess of 11½ hours on multiple days during the week referenced. This constituted a violation of Articles 8.5 and 19 of the National Agreement. The JCAM, on pages 8-20 and 8-21, provides the following relevant language:

Maximum Hours—12 Hour Limit. The overtime limits in Article 8.5.G apply only to full-time regular and full-time flexible employees. However, ELM Section 432.32 provides the following rule that applies to all employees:

Except as designated in labor agreements for bargaining unit employees or in emergency situations as determined by the PMG (or designee), employees may not be required to work more than 12 hours in 1 service day. In addition, the total hours of daily service, including scheduled work hours, overtime, and mealtime, may not be extended over a period longer than 12 consecutive hours. Postmasters, Postal Inspectors, and exempt employees are excluded from these provisions.

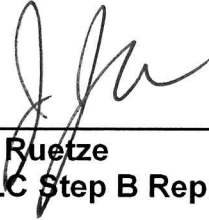

Because this language limits total daily service hours, including work and mealtime, to 12 hours, all letter carriers not on the ODL or Work Assignment List (including PTFs and CCAs) are effectively limited to 11½ hours per service day.

This is true whether or not a meal break is taken. This rule also applies during the penalty overtime exclusion period (December).

The remedy in the table on page 1 of this report reflects the DRT's decision to pay each carrier an additional 50% of the straight time rate for all hours worked beyond 11½ during the week cited in this case. Based on its review of the case file, the DRT agreed to the decision and remedy above.
