

Attention, All Carriers! It's that time again for us to demonstrate our commitment to the community. We stand ready to serve them every day, at every house, and during the Flambeau Parade. I'm seeking at least 150 members to join us in marching for Letter Carriers. Please ensure you have a clean uniform and can arrive on time. We must be at the starting line no later than **6:30 PM on April 27, 2024**. Let's meet at the **Laurel Heights station** and walk to the starting line a few blocks away. Our march will commence at **7 PM**, and afterward, a VIA Bus will transport us back to Laura Heights Station. If you have any questions, feel free to call me at **210-744-2602**. Let's make this a memorable and enjoyable experience, Brothers and Sisters!
