

NALC ALAMO BRANCH 421

ANGEL TREE CHRISTMAS PROGRAM 2024

The branch will be participating in the Salvation Army's Angel Tree Program again this year.

Stewards this flyer is asking if your station would like to participate this year. If yes, then please provide a contact person with email and phone number. If not, just let me know and we will remove your station from the list. My contact information is below

Please let me know by 10/10/2024. Thank you.

This year we can either adopt an Angel or make a cash donation through cash app. We can help if you do not have a station coordinator and would like to participate. Please contact me (Louise Jordan) at 210-325-5486 or ljordan18@satx.rr.com.
